

# אֱלֹהִים DO NOT CHANGE

Ever since the statutes of the law was written on two tables stone for אֱלֹהִים' s people to remember (Deuteronomy 4:2; 40; 45, Psalm 105:45, 119:2, 34, Proverbs 7:2, and Ezekiel 11:20). Very clear in the book of Psalm 89:30-37 explains to us why אֱלֹהִים would NOT dare want us to withdraw this holy promise and does not want us to forget it either. Every word that was written by the testimonies of every leader or prophet who was chosen by אֱלֹהִים to ensure people to observe, keep, and guard HIS law. This is why in the book of Joshua 1:8 said:

***“This Sefer HaTurah (book of the law) shall not depart from your mouth; but you shalt meditate on it daytime and nighttime so that thou mayest be shomer (observant as guardian) to do according to all that is written therein; for then you shalt make the right path decision, and then you shalt success good.”***

Notice this passage verse during Joshua’s day, people in those days did have ALL of these books of the Turah (LAW). People who follow and were with Joshua in those days observe and guard these laws. This is a perfect example for us, the people to remind each other why we should post this passage verse on a wall, or refrigerator, nor out in the front yard with a sign, nor in the car, and whatever or whichever how we get the audience to read it and to memorize it. We can either have this one singular passage quotes posts that or posts it above along with all the law lists.

In the last book of Malachi 3:6, it clearly said that אֱלֹהִים do not change. This is because when HE created the foundation of heaven and earth, earth was supposed to be kept the way it was built forever. That is why Psalm 90:2 said *“before the mountains were brought forth, or ever you had formed the earth and the world, from everlasting to everlasting...”* Lucifer who became Satan tricked Adam and his wife to sin, everything changes. That is why throughout the earth's history, the world of the landscape had divided change. If we read and study carefully in the book of Proverbs 24, we will understand clearly why אֱלֹהִים established the earth the way it was (Psa. 119:90) before Adam and his wife were kicked out of the Garden of Eden.

Every foundation אֱלֹהִים has spoken a word out of HIS mouth to build the blueprint HE had already designed to establish this creation the way it stands forever. The law of everything HE created from heaven and earth. This included the Commandments

law HE had taught and told Moses to tell the Yisraelites to observe, follow, and guard these laws. **יהוה** many times have told people NOT to forget, add or remove these laws. That is why HE did not change any of HIS law. Like example in Numbers 23:19 explain to us

**“**יהוה** is not a man (human), that HE should lie, or a son of man (a human, prophet), that he should change HIS mind. Has HE said, and will HE not do it? Or has HE spoken, and will HE not fulfill it?”**

Yet, we the people did change HIS words of the law HE created and commands, look at the world today. We are told not to change it whether we are a prophet or not, otherwise destruction will fall on us. Since we did wrong, we allow this destruction to happen on earth, just as why Satan wants this to happen to us.

That why the book of Matthew 5:18 (CEB) said:

*I say to you very seriously that as long as heaven and earth exist, neither the smallest letter nor even the smallest stroke of a pen will be erased from the Law until everything there becomes a reality.*

This passage verse of Matthew is from the New Testament books which I do not follow, believe, or practice its doctrine, yet it does tell us a part that is true. Still the author of this book still fails to guard every word **יהוה** have established HIS way of the law HE created. Using the Joshua's (YahuSha's) name from the Old Testament, which means YAH Saves or YAH Salvation. This name was stolen and changed into the name of Jesus. Jesus (/ˈdʒiːzəs/) is a masculine given name derived from Iēsous (Ἰησοῦς; Iesus in Classical Latin) the Ancient Greek form of the Hebrew and Aramaic name Yeshua or Y'shua (Hebrew: יֵשׁוּעַ). As its roots lie in the name Yeshua/Y'shua, it is etymologically related to another biblical name, Joshua.

The New Testament books have been teaching a lot about Jesus who claimed he is from heaven where the Creator Father is. Many also claimed he is the Father himself because he said in John 10:30 *“I and my Father are ONE”*, whether he has all the power to perform a miracle and died on the tree (or cross) for his blood to save his people by forgiving the people's sin from eternal death. People for many generations after generations, they all have been brainwashed fools by this teaching. Unable to see why **יהוה** does not want people to forget none of his statutes, law or judgment to be changed. Like why the statute of sacrifice for the animals from the Old Testament shouldn't change. Yet, the New Testament has been pulling people to believe in the sacrifice of Jesus as the Lamb of God. Who is to take away all of our sins, once for all time etc... I know **יהוה** is against this teaching, and HE even HATES the sacrifice idea using humans. This is why HE commands people anyone

**"...shed the blood of man, by man his blood shall be shed, for אֱלֹהִים made mankind in his own image." - Genesis 9:6**

Shedding a holy man's blood cannot save or forgive us by cleaning our sin. This is why, how, and when the ancient Roman/Catholic kingdom had taken over Yisraelite's kingdom a long time ago and changed the way Yisraelite used to teach their people the correct, pure way. The correct way to sacrifice for our sin to be forgiven. Until the Roman destroyed their land and the Temple where they used to sacrifice worship. They took over their doctrine into their own doctrine so that they could rule over them and have them follow their king. This is why the names of Jewish are not the same as the true Yisraelites of אֱלֹהִים. Because the Jewish have deal with the Catholic/Vatican and even Islam, all have twisted the teachings of אֱלֹהִים's way of life into their way of life and death. This is why sometimes we hear about their teachers having some of their similar teaching statutes and testimonies that אֱלֹהִים had thoughts HIS people long ago in the ancient old days.

We today are living under this kind of doctrine system and the law of man around the world that always have change. Because of this, many of us today do not recognize that these New Testament doctrine books are responsible reason for damaging the OLD (Old Testament) doctrine way of life. This is why I, Bro. Pouliot shared all this with you today why אֱלֹהִים do not change about HIS way into this New Testament way.
