

אֶלֹהִים DO NOT CHANGE

In the beginning, אֶלֹהִים, the I AM who I AM made the foundation world from heavens to earth. He created every foundation law to build all HIS handiwork, and we the people cannot impossibly understand in detail how HE did it. Other than that, we do know just the basic understanding how HE created everything. אֶלֹהִים spoke a word and it happened (Genesis 1:3 & Psalm 33:6,9). HE ALONE established it the way it is, once built, it cannot be changed (Isaiah 45:18). Just as if we as humans were built with a heart or brain, it cannot be taken out. Mankind couldn't live without a heart or brain. We would simply fall, becoming nothing as death. Think of every molecule is build up as atoms, like a DNA. Once build, the molecule atoms cannot be change. Same thing for every molecule אֶלֹהִים created from heavens to earth. This including the sound of the voice אֶלֹהִים spoken the word to created everything nature laws.

I, Bro. Pouliot believes that is all true, because of what the scripture clearly said. I believe Yisraelites, אֶלֹהִים's people during the early days have forgotten HIS commands, HIS laws. Because they have set-apart away from HIM. They have turned against HIM. They end up all falling away from אֶלֹהִים's way of life HE builds for them to live, and HE knows what's best for them. Instead, they want to live their own way. They became slave to man's world which is the Satanic way of life and death.

After they left Egypt with Moses, אֶלֹהִים made two written laws table stones. אֶלֹהִים did this in order for them NOT to forget HIS commandments, HIS laws (Deuteronomy 4:2; 40; 45, Psalm 105:45, 119:2, 34, Proverbs 7:2, and Ezekiel 11:20). That they must understand how to live the way אֶלֹהִים made for them to live in a good life. To set-apart ourselves from evil's way. Not let evil tempt us to do wrong and change the way אֶלֹהִים created us to live the way we should live.

אֶלֹהִים very clearly said in the book of Psalm 89:30-37 as why HE does NOT want anyone to change HIS laws, HIS words. By NOT adding or withdrawing any of these holy foundation words (LAW). HE made these promises for HIMSELF and to HIS creation children NOT to forget about HIS foundation law. That is why HE created another day, the seventh (Shabbat) day, a mark of the memorial holiday.

אֶלֹהִים made this special time of remembrance. That includes seven other Sabbatical appointed time holidays, such as 1st New Moon (New Year), Passover, Unleavened

Bread, Feast of Weeks, Day of Trumpets, Day of Atonement, and the Festival of Tabernacles.

אֱלֹהִים had chosen every leader and a prophets to ensure people remember what אֱלֹהִים did for them. It is not only the law itself, but to HIM. Better yet, HE is the law anyway. That is why Yisraelites were instructed to guard HIS law, keep, observe, and obey by following and respecting HIS law. This is why in the book of Joshua 1:8 said:

“This Sefer HaTurah (book of the law) shall not depart from your mouth; but you shalt meditate on it daytime and nighttime so that thou mayest be shomer (observant as guardian) to do according to all that is written therein; for then you shalt make the right path decision, and then you shalt success good.”

During Joshua’s day, people already have these Turah (LAW) teaching books. They observe, follow, and guard these laws. This is a perfect example for all of us to remind ourselves and others why we must not depart from these law of אֱלֹהִים. Why we must not change or add any other word to it as well. Keep well that in our mind not to forget that. We should post the reminder of אֱלֹהִים’s expectation from us on a wall, or refrigerator, nor post sign out the front yard, nor in the car, and whatever or whichever how we get ourselves and/or the audience to remember by memorizing it.

Again, in the book of Malachi 3:6 clearly said that אֱלֹהִים do not change etc... I am sure that many of those prophets of אֱלֹהִים knew exactly why the foundation of heavens and earth were built not to change. knowing that the earth was supposed to keep the way it is forever and ever. This is exactly why we must understand this lesson, as of why אֱלֹהִים do not change HIS law. Everything above and upon this world, this including the one language people once all spoke.

Lucifer who became Satan was the one who started bringing in trouble on earth, the sin of death. He tricked Adam’s wife to touch and ate the forbidden fruit. Pass on the temptation with Adam. She listens to Satan’s word instead; this is what causes the change of them. The world change after how the blood spilled on the ground after what Cain did to murder his brother Abel. Earth’s landscapes of the world have been divided, just as we the people have divided ourselves from one another and even from אֱלֹהִים too.

I read Proverbs, the whole chapter 24, that I understand clearly why אֱלֹהִים established the earth the way it was (Psa. 119:90), before Adam and his wife were kicked out of the Garden of Eden. Everything on earth was just perfect.

Let’s understand what the book of Numbers 23:19 said:

“ is not a man (human), that HE should lie, or a son of man (a human, prophet), that he should change HIS mind. Has HE said, and will HE not do it? Or has HE spoken, and will HE not fulfill it?”

Yet, we the people did change HIS words, change the creation way of life. Look at the way the world we live in and die today. We are warned many times not to change it, whether we are a prophet or not, otherwise destruction will fall upon us. This is what Satan expects us to be destroyed.

Here is one surprising message people for whatever reason cannot see how bad the book of Matthew 5:18 said:

I say to you very seriously that as long as heaven and earth exist, neither the smallest letter nor even the smallest stroke of a pen will be erased from the Law until everything there becomes a reality (CEB).

Here the same passage verse of Matthew 5:18 but different version (Orthodox Jewish Bible) message:

For, omein (truth), truly I say to you, until Shomayim (heavens) and haaretz (people of the Land) pass away, not one yod (letter), not one tag (piece of label), will pass from the Torah until everything is accomplished.

I disagree with that message, that kind of message written in Matthew of the New Testament (NT) books is nothing like what the Old Testament books would say about **אֱלֹהִים**'s words. Because **אֱלֹהִים**'s law would NEVER become less and less before it all disappears then everything will be accomplished. Look and read what the book of Daniel 12:4 said:

“But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase.”

In the near future where we are living in that time now, knowledge of **אֱלֹהִים**'s law and the rest of the OT books will INCREASE. Please also read what the book of Deuteronomy 29:29; 4:44-30:20 said as well. Believe me when I say this to you, apart from the NT doctrine books, it all lies. I do not follow, believe, or practice it anymore. You can read more about this reasons why I NO LONGER BELIEVE IN THE NT BOOKS at

Many people failed not to see why **אֱלֹהִים** would not deliver such words like how the NT doctrine books teaches. NT book is a change way for leading people's eyes away from **אֱלֹהִים**, instead to look at Jesus who wears like **אֱלֹהִים**. Believe me when I say this, Jesus whoever this man is, whether he is a real person, is actual the wolf who

wears sheep clothes. That is why I am warning people about the NT dangerous doctrine books of all time.

Whoever the author who wrote this book of Matthew or Matthew wrote it fails to guard every word of אלהים. That is why אלהים already warned people not to change the way it was written (this including the one language), the way HE teaches; because HE established the law that stands forever.

This book of Matthew has already violated that law, the same reason about the animal's blood sacrifice changing into Jesus' blood sacrifice. Being told that Jesus died on the tree (or cross) for his blood to save mankind from sin of eternal death. The truth is, אלהים never send anyone to die for us and HE hates human sacrifice. HE even said in Genesis 9:6, that killing human beings is an abomination. also said in Deuteronomy 24:16, that no man can die for someone' sins. HE also mentioned in Exodus 20:13, that whoever kills someone, that person must be put to death. Can we imagine how terrible it would be for a person who kills Jesus, also must all die?

People for many generations after generations all have fallen for all this brainwashed false teaching. Telling us that we're no longer under the law of אלהים but under the grace of Jesus. That this Jesus is our Savior and KING of kings. We the people are really blind.... we need to wake up on this, because אלהים is the ONLY SAVIOR and KING of kings of the world, not anyone else like Jesus according to the Old Testament (Tanakh) Isaiah 44:6.

"If they were wise, they would discern this, they would understand their hereafter. How can one chase a thousand and two put ten thousand to flight, unless their Rock (אלהים) had sold them and master had handed them over? Surely their rock is not like our Rock, as even our enemies judge. For their vine is from the vine of Sodom and from the terraces of Gomorrah. Its grapes are grapes of poison– bitter clusters on it. Venom of serpents is their wine– poison of vipers so cruel. Is it not stored up with Me, sealed up in My treasuries? Vengeance is Mine, and payback, for the time when their foot staggers. Surely their day of disaster is near– what is prepared rushes on them. For Almighty ONE, will judge His people– for His servants, He will relent when He sees that strength is gone and no one is left, slave or free. He will say, 'Where are their gods, the "rock" they took refuge in? Who ate the fat of their sacrifices and drank the wine of their libation? Let them rise up and help you and be a shelter over you! See

now that I, I am He! There are no other gods (mighty ONE) beside Me. I bring death and give life, I have wounded but I will heal, and none can rescue from My hand. Yes, I lift My hand up to heaven and say, 'As I Myself live forever...' - Deut. 32:29-40

People MUST carefully see why **יהוה** is the ONLY ONE, that there is NO ONE ELSE "LIKE" HIM as MIGHTY to do the "LIKEN" of HIS handiwork. This is why remind HIS people about the 1st, 2nd and 3rd commandments, that we should not look upon another idol of HIM. You shall have no other Creator Almighty ONE before me. Thou shalt not make unto thee any graven images (like HIM). Thou shalt not take the name of **יהוה** in vain. Yet, we have made such a change. Look at the Holy Bible for example, is this "Holy Bible" that we read in our modern

language the pure books of **יהוה**?

The most troubling part is people do not realize that the teaching of the NT Jesus did not exist many years after the 2nd Temple was destroyed. I know of this fact because of the timeline research I have discovered. I believe there is about 175 years gap between the time the 2nd Temple was destroyed and the time of Jesus:

The Roman Empire had already destroyed the temple and Yisraelites' land well before the idea of Jesus' time came into exist. I have a reason to believe this idea story of Jesus was possibly involved to force people of Yisraelite to obey and follow their SAVIOR KING instead of **יהוה**. Part of this reason I know of this, we have a written long dark history of Papacy of Rome, the Vatican Roman Catholic church have had murder many people in the past. Not just murder but also rape, stealing and cause world corruption. I also have a reason to believe some of the Jewish were part of this history as well.

FYI, I do not believe the Jewish people are the real Yisraelite people at all. They aren't the same people of Yisraelites from far ancient day. I believe the real Yisraelite people of אֱלֹהִים, are mostly the dark-skinned people like the Asian and African people.

I have seen the Jewish have delt with the Catholic/ Vatican and even with the Islam people. All have their twisted doctrine of אֱלֹהִים with different idol names. They are all copycat people who are trying to lead us away from the truth about אֱלֹהִים. Look at what going on now in Abu Dhabi in the United Arab Emirates. They have built The Abrahamic Family House, the so-called cultural landmark capital, which includes the synagogue, church and mosque. The Judaism, Christianity, and Islam have had already joined together; to bring the world of people in the "Document on Human Fraternity for World Peace and Living Together". These three ideal difference fundamental beliefs have their own so-called God, have joined together like many Gods to worship now. אֱלֹהִים would not do such thing to have other strange doctrine (fundamental beliefs, culture, or tradition) involved in HIS kingdom world. He would destroy it.

Here is another major problem why people are so, so.. blind not to see where this name of Jesus came from. Most do not bother to investigate where this OT Joshua, the son of Nun ancient name was translated from. Not knowing what name, it was in Aramaic/Hebrew? Without realize that this name Jesus (/ˈdʒiːzəs/) is a masculine given name derived from Iēsous (Ἰησοῦς; Iesus in classical Latin language) the Ancient Greek form of the Hebrew/Aramaic name Yeshua or Y'shua (Hebrew: יֵשׁוּעַ). As its roots lie in the name Yeshua/Y'shua, it is etymologically related to another biblical name as Joshua. This name YahuSha was stolen and changed into the name of Jesus by Greek/English. To use this name because this name YahuSha means "YAH Saves" or "YAH Salvation". This word "YAH" is a short name for אֱלֹהִים, the "I AM" to fool people that Jesus is the Savior because he and the Father אֱלֹהִים are ONE (John 10:30).

There are a lot more I can go on this topic, but this is pretty enough what I have shared here. I hope that you will have the opportunity to do a deep research on this, because time is indeed very short. אֱלֹהִים is indeed coming back for HIS worthy people once for all and HE will end of all the sin ruling on earth. All evil one who don't believe and rebel against אֱלֹהִים will be destroy once for all.
