The photo you see on the left here, the United States of America President, Joe Biden had signed the bill of **“Respect the Marriage Act”** on Tuesday, the 13<sup>th</sup> of December 2022.

One Hundred Seventeenth Congress  
of the  
United States of America

AT THE SECOND SESSION

*Begun and held at the City of Washington on Monday,  
the third day of January, two thousand and twenty-two*

An Act

To repeal the Defense of Marriage Act and ensure respect for State regulation of marriage, and for other purposes.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

**SECTION 1. SHORT TITLE.**

This Act may be cited as the "Respect for Marriage Act".

**SEC. 2. FINDINGS.**

Congress finds the following:

(1) No union is more profound than marriage, for it embodies the highest ideals of love, fidelity, devotion, sacrifice, and family.

(2) Diverse beliefs about the role of gender in marriage are held by reasonable and sincere people based on decent and honorable religious or philosophical premises. Therefore, Congress affirms that such people and their diverse beliefs are due proper respect.

(3) Millions of people, including interracial and same-sex couples, have entered into marriages and have enjoyed the rights and privileges associated with marriage. Couples joining in marriage deserve to have the dignity, stability, and ongoing protection that marriage affords to families and children.

**SEC. 3. REPEAL OF SECTION ADDED TO TITLE 28, UNITED STATES CODE, BY SECTION 2 OF THE DEFENSE OF MARRIAGE ACT.**

Section 1738C of title 28, United States Code, is repealed.

**SEC. 4. FULL FAITH AND CREDIT GIVEN TO MARRIAGE EQUALITY.**

Chapter 115 of title 28, United States Code, as amended by this Act, is further amended by inserting after section 1738B the following:

**"§ 1738C. Certain acts, records, and proceedings and the effect thereof**

"(a) IN GENERAL.—No person acting under color of State law may deny—

"(1) full faith and credit to any public act, record, or judicial proceeding of any other State pertaining to a marriage between 2 individuals, on the basis of the sex, race, ethnicity, or national origin of those individuals; or

"(2) a right or claim arising from such a marriage on the basis that such marriage would not be recognized under the law of that State on the basis of the sex, race, ethnicity, or national origin of those individuals.

# This is NOT the way

---

- Because it's against ~~1994~~'s law (Torah).
    - It's abomination and forbidden.
    - It's capital punishment by penalty death.
  - Broken the everlasting covenant.
    - Like the marriage agreement has broken.
  - ~~1994~~ did not create more than two genders sex.
-

*There is a lesson to be learned about 'MARRIAGE' by a way:*

According to Ezekiel 16:8, this passage verses is an example of why **אֱלֹהִים** is our bridegroom, and we are the bride. Because Isaiah 61:10 also describe why **אֱלֹהִים** is like a bridegroom.

*"I will rejoice greatly in אֱלֹהִים; my being shall shout in exultation in my Creator Almighty ONE. For HE has clothed me with garments of salvation, HE has covered me with the robe of righteousness, as a bridegroom adorns himself with a head wrap like a priest, and as a bride adorns herself with her jewelry."*

*"...I passed by you, and looked upon you, "Here I AM", that time was the time of dodim (love); and I spread My kanaf (wing, corner of garment) to over you, covered your nakedness; indeed, I swore an oath unto you, and entered into a covenant with you, saith Almighty ONE, אֱלֹהִים and you became mine."*

“For your husband is your Maker,  
Whose name is *יהוה* of hosts;  
And your Redeemer is the Pure  
One of Israel, Who is called the  
Creator Almighty ONE of all the  
earth.” - Isaiah 54:5

Once again, there are only two sex genders, male and female. It does not matter if a male mind set says he is a 'SHE' or a female mind set says she is a 'HE'. Gender identity brain itself does not count, when a person is physically identified by birth.

Biological sex is identified based on the external genitalia (penis or vagina) and gonads (testes or ovaries) present in an individual. In contrast, gender identity refers to the self-identification in the brain of an individual as female or male. Most of the time sex and gender identity go hand in hand.

We must keep it natural. We must also honor the right format way to build a household family. Like why we cannot mix up the receipt with the wrong ingredients, otherwise something will not work or go bad.

Like why we cannot mix the negative and positive magnet, because it won't work or mix (cross contamination) a vinegar with bleach, it will produce a toxic chlorine gas.

We must honor what physical form of gender we are created and born to be. We cannot change our gender based on our thought and feeling. Just as we cannot change our age from 20 years old to 60 years old. Whether we feel young or old. We must once again honor the gender we are born to be. Accept the position of the gender gift we are born to be, to have this special duty on earth to service **יהוה**.

Same reason why the book of Deuteronomy 22:5 explains what is natural for man and woman: ***"A woman shall not wear a man's garment, nor shall a man put on a woman's cloak, for whoever does these things is an abomination to יהוה, your Creator ONE"***.

Reason why **ጳጳጳጳ** said this homosexuality act is abomination and forbidden. It's because it a detestable and unnatural act like dog mate (crossbreed) with a cat is disgust.

According to the law of **ጳጳጳጳ**, it's a capital punishment by death - Leviticus 19:19-25, 20:13.

Most people still today do not know that English word 'marriage' did not exist until between the years 1250-1300 A.D. Since more divided tribes make up their own language culture and many of these English defining words also change or removed over time too. Number of the definition word were often altered from what it was alone originally mean, before it was added to another meaning. If we compare the very old English dictionary word with the modern definition word, it can be somehow very confusing or surprise.

For example:

## AWFUL

Ever wonder why “**awesome**” means excellent but “**awful**” means really bad when they both derive from “**awe**”?

In Old English, **awe** meant “**fear, terror or dread.**” From its use in reference to Almighty ONE, the word came to mean “**reverential or respectful fear.**” By the mid-1700s, awe came to add more meaning **solemn and reverential wonder, tinged with fear**, inspired by the sublime in nature—such as thunder or a storm at sea. Originally, **awful** and **awesome** were synonymous, but by the early 19th century, awful absorbed the negative aspects of the emotion and the word was used to mean **frightful or exceedingly bad**. The earliest citation in the Oxford English Dictionary for **awesome** meaning “**marvelous, great; stunning or mind-boggling**” is from the Official Preppy Handbook, 1980.

Another example:

## TERRIBLE

When terrible entered Middle English from Anglo-Norman and Middle French, it added to mean causing or fit to cause terror, inspiring great fear or dread.

This also cause the new confusing meaning along with the word **awe-inspiring** or **awesome**, which already discussion the word '**awful**'—could be terrifying as well as wonderful.

By the 1500s, terrible (like awful, dreadful, frightful, and horrible) came to add another meaning '**very harsh**', '**severe**', '**formidable**', and '**hence**', '**excessive**' or '**extreme**'—in a bad way. In language, like everything else, change can be hard to accept.

## Now, what about 'MARRIAGE'?

The word 'MARRIAGE' was origins from the Latin word '**matrimoniu**' meaning 'mother' and 'the action, state or condition'.

This then became the Old French word '**matremoinme**' which developed into the Middle English word '**maraigne**'.

Once we do the homework research by analyze the etymology of the word from Latin, "**matrimonium da mater madre**", meaning it as a female office regarding the creation and care of the family, this is what once existed to be understood. Around the figure of the woman as a mother who had the task of this unity family under the household. Since the male do not breastfeeding the toddler, the mother was to care and breastfeed the child while her husband is either out at work or still home working around the house.

The related word "matrimony" derives from the Old French word **matremoine**, which appears around 1300 CE and ultimately derives from Latin **mātrimōnium**, which combines the two concepts: mater meaning "**mother**" and the suffix -monium signifying "action, state, or condition"

During ancient early day, young virgin (female) had been taken by a man and brought her into his house, she became a woman. She will become a new mother of the household.

Until the Old English brought in a new word '**wedlac**' (**wedding**) "pledge-giving, marriage vow," from **wed** + -lac, noun suffix meaning "actions or proceedings, practice," attested in about a dozen Old English compounds (feohtlac "warfare"), but this is the only surviving example. Old English **weddian** "to pledge oneself, **covenant** to do something, vow; **betroth**, marry," also "unite (two other people) in a marriage, conduct the marriage ceremony," from Proto-Germanic \*wadja (source also of Old Norse veđja, Danish vedde "to bet, wager," Old Frisian weddia "to promise," Gothic ga-wadjon "to betroth"), from PIE root \*wadh- (1) "to pledge, to redeem a pledge" (source also of Latin vas, genitive vadis "bail, security," Lithuanian vaduoti "to redeem a pledge"), which is of uncertain origin.

This is why the word '**MARRIAGE**' end up added into the meaning for one companion couple who had wedded (or wed), change all this whole definition. So now we can see why 'MARRIAGE' or 'MARRIED' was not supposed to label as one companion couple who had wed but mother of the household. The word '**companion**' is the best way to label them both (husband and wife), as one household companion couple.

## More INFO about 'MARRIAGE'?

There is another confusing old English defining word over time, the word '**betrothed**' was once to mean a man taken a young virgin, to '**engaged**' before they become one union companion couple (husband and wife).

Orthodox Jewish Bible:

*"And what ish is there that hath **betrothed** an isha, and hath not taken her? Let him go and return unto his bais, lest he die in the milchamah, and another ish take her."*

## More INFO about 'MARRIAGE'?

Now we can see how everything was about the female and marriage have change the course of history to identity the word into a confusing way. Which today is hard for us to believe it.

Nowhere did we find the word 'MARRIAGE' in those very old scripture book of Deuteronomy 20:7? We have also seen other different word for wife, woman, and engaged. We also see how often it say 'take' or 'taken' her. Replace for '**betrothal**' and 'engaged'. Betrothal in our old English understanding was once used for engagement, joint companion, or spoused.

## How was the ancient male and female becoming as husband and wife?

The image on the right, did the ancient couple were preform wedding customs like that? The answer may surprise you.

If we get to read carefully in the book of Genesis chapter 24, we will learn about Rebecca (Rebekah) who became Isaac's wife. In this true story, we will notice nowhere in that Genesis 24 did Rebecca and Isaac together were pronounce as marriage couple by the priest or were they in wedding ceremony?

# How was the ancient male and female becoming as husband and wife?

First, the father's servant must go out and find a wife for the groom.

The price is being prepared for the future wife. Such as an articles of silver and gold, and garments, precious gifts, and more'

They did the blessing prayer.

Mother want to hold her few more day or 10 before she left her mother. Discuss with her daughter whether she want to joint with him.

She was than brought by the servant to bring her to the groom, and he, the groom led her to his chamber of his mother's household's tent.

From there, both became one joint unite companion of the new family household spoused. That it.

The answer is no, they did not have the worldly custom of the wedding/marriage custom in those day.

If we read what the book of Isaiah 61:10 said, *"I will greatly rejoice in אֱלֹהֵי; my soul shall exult in my Creator Almighty ONE, for HE has clothed me with the garments of salvation; he has covered me with the robe of righteousness, as a bridegroom decks himself like a priest with a beautiful headdress, and as a bride adorns herself with her jewels."*

This is how we must understand why Adam and his wife was given these garments of rightness to cover their nakedness (shame). אֱלֹהֵי also did this because they (the children) belong to HIM. Like HE is our bridegroom and HE had taken us (like a bride) under HIS household name. Under אֱלֹהֵי's Household Covenant.

By now, we should be able to see why so many custom we have been carry on those worldly tradition for so many generation; aren't really from the doctrine of ʼʼʼʼ. We have changed and/or created a new culture custom that are from man's way.

Even the word '**marriage**' was once known as '**household mother**'

We the people along with the government in vain have changed this nature law of one union companions' (marriage couple) household name. Husband (male) and wife (female) – Father & Mother – under one family household name, now apply to the same-sex couple. Changing the definition of 'marriage' and adding this fundamental law of marriage under the U.S. Constitution is a great abomination act.

We are now facing much trouble with this new man's law, because this conflict with  $\text{Allah}$ 's law. Many of us have had been ignoring  $\text{Allah}$ 's commands as of why this homosexual act is forbidden and what would happen to those who have abomination these act.

Haven't people forgotten why the Genesis history of Salmon and Gomorrah was destroyed? It is because of their wickedness act. Homosexual is one of their act.

Joe Biden had already violated against his oath

When Joe Biden was sworn with his left hand on the Bible and right hand up in the air; to become the 46<sup>th</sup> President of the United States back in 2021, to take the leading and responsibility for the American. Did he keep the honor of that oath?

---

BIG NO! - Not only that Joe Biden had violated against number of the Constitutional laws but against the Bible as well. Two things along with the Congress who have also broken the laws:

1. Broken ~~the~~'s Household Covenant [Marriage]
2. Violated against the Civil Rights Constitutional

Since Joe Biden have put his left hand on the Bible and sworn an oath, he have broken many of the laws in this (Old Testament) Bible (Torah). The laws that is not written by man but  $\text{אלהים}$ . One of the law he have broken big time is the Covenant law of Marriage.

Many who have support Biden about the Same-sex marriage law; want to change the definition of marriage; this is an immoral act.

Not only that Joe Biden have broken the oath of this Bible laws, but he have also broken the U.S. Constitution laws as well. By discriminates against basis on ALL AMERICAN (PEOPLE) of religious (beliefs), race, color, age, disability, or sex. Because there are people in America who truly disbelieve about the same-sex marriage, and its disgust. What Biden did provoke against the nature law of marriage that had been a custom for thousand and thousands years.

Joe Biden and many people today do NOT know what is MARRIAGE really about and why this word MARRIAGE in our modern-day understanding have a lot connection to do with COVENANT; between male and female. The same concept between ~~3434~~ and us.

“...she thy chaveret, and the wife of thy brit.”

The passage verse above is from the book of Malachi 2:14 – the Orthodox Jewish Bible. Notice the English/Hebrew word ‘chaveret’, this word also give out the meaning as ‘covenant’ as well.

Chabereth (chaveret) – Strong H#2278 & H#2270  
con venire - co|uenaunt = Covenant

The term "covenant" is of Latin origin (con venire), meaning a coming together. It presupposes two or more parties who come together to make a contract, agreeing on promises, stipulations, privileges, and responsibilities.

Covenant (briyth) – Strong H#1285

The word 'Brit-ish' in Hebrew means 'Covenant-Man'. It is related to the expression Brit-Am meaning Covenant of the people (Isaiah 42:6, 48:8).

Even Lexham English Bible version also mentioned ‘COVENANT’:

“...even though she is your marriage partner and your wife by covenant.”

Transitional Biblical Hebrew: “...yet (is) she thy companion, and the wife of thy Brit.”

We as American citizen or non-citizen, have certain rights under the U.S. Constitution and other laws. We have the right to refuse consent for immigration or the police to search yourself, your car or your home. We have the right to remain silent and more etc... Yet, we still must respect and obey the customs laws that had been long in America. Because that is what American is all about etc...

After few century later, America is no longer America we once know about. Because we have had kept breaking the promise, the oath, and the laws and now it's all ruined like it became a land of piggy bank that taken advantage of us.

Same concept of the free will of choices. We mankind have the rights to make our own decision making, whatever path we choices to go, whatever we want to become, and whatever we want to stand aside. But we are still under 3937's laws. HE still expect us to respect and obey HIS rightness laws. Since 3937 is the ruler of the universe.

3937 want us to chose the rightness way of life instead of the wrong. The wrong that lead to the darkness of death, that is evil way. 3937 is no puppet Matter to us, but HE sure does want us to walk on the path of rightness.

Let's respect our Creator ONE like a bridegroom, while we are like the bride to live under HIS household roof. Let's keep the covenant pure which **אני** made it for us. Between HIM and us, like the marriage covenant.

Remember this passage verses again:

*"I will rejoice greatly in **אני**; my being shall shout in exultation in my Creator Almighty ONE. For HE has clothed me with garments of salvation, HE has covered me with the robe of righteousness, as a bridegroom adorns himself with a head wrap like a priest, and as a bride adorns herself with her jewelry."*

*"...I passed by you, and looked upon you, "Here I AM", that time was the time of dodim (love); and I spread My kanaf (wing, corner of garment) to over you, covered your nakedness; indeed, I swore an oath unto you, and entered into a covenant with you, saith Almighty ONE, **אני** and you became mine."*
