

Let Talk About Marriage & Why YAH Hate Divorce

Marriage is indeed one of the most important value lessons to learn in the humanity society of life. One of the moral value to discipline which we the people cannot simply ignore from the Torah teaching. There is a great deal of lesson about marriage, it is not just about husband and wife, but also to understand how this applies between our creator the Sovereign ONE and HIS children. Many people do not know of this and there is too many of us are further away understanding what marriage all is about. The number one reason why I, Bro. Pouliot know this, it is because high percentage growing rate of divorce on the rise for the last few centuries. Second, there are divorced parents who one or both remarriage and again divorce as well. Not only a child who have a parents, a father and a mother, children today would have a same sex couple raising them. Whether they are both male or female parents. Whether one of them are the child's biological parent. I am going to explain to you here what I know what marriage should be taught and understood.

According to Genesis 1:26, the Creator ONE said the four words "LET US MAKE MAN", I would address anyone this question '**who is this "US"** talking about'? Most people would mystery not know, while other would say, "**US' is the God the Father, the Son as Jesus and maybe the angels as well**". Pointing that this 'US' all together are them who created a man in the imaged of the Father. This kind of respond is somewhat what I would completely disagree. The first reason why I disagree, I do not believe in a man name Jesus who people claimed in the New Testament books that he is the Son of God etc... There many reason why I do not believe this Jesus who people say he is the coming Messiah. Who died for our sin on the cross or tree and raised from the death? You can learn more about this in another document article why I do not believe in the New Testament doctrine [here](#). Secondly, we should know better that an angle is nothing like a creation image of the Father, the Sovereign ONE. Since the book of Genesis speak of us who we are the image like the Father, the Sovereign ONE. The 'US' actually referral to us, people and the heavenly Father. HE wanted us to continue creating more children (child being born). Created by HIS liken image (verse 27) and want us human to multiply (verse 28) HIS creation children etc...

Once again, our heavenly Father want US to continue forming more children on earth. The Father bless for a husband and wife to multiply more child on earth. We can see a husband and wife are one marriage couple here to multiply by giving birth child. The same reason to understand why the scripture book mentioned in Isaiah 54:5 "**For your Maker is your husband and HIS name is אֱלֹהִים your hosts; and your redeemer. He is called the Almighty Sovereign ONE of all the earth.**" To understand that HE is the first and the head of the heaven and earth who created and give US life. A life of the first man and then a woman out of the man's rib. The same reason why a man is also the first and the head of the household wife, together can form a birth child. We can see the panther from אֱלֹהִים the first, a man the second and the third is the fe-male. All of those are promise covenant between אֱלֹהִים and mankind. Just as a marriage promise for a husband and wife to stay together and work together to do part until

death. This is the same reason to understand why Yisralites in these two-passage quoted: "I will walk among you and will be your Almighty ONE, the Creator and you shall be my people" - Leviticus 26:12. He will never ever divorce (separated) us, but we did. We have broken that marriage covenant.

The covenant in which the proposal of our heavenly Father to mankind is the same characterized printable formula: like if you will, then I will, whereby HE, our Father promises to grant this special blessings to mankind providing man fulfills certain conditions contained in this covenant. So, brothers and sisters, let us rejoice and exult and give him that glory honor, for the marriage of the Father will be waiting for his Bride. Since Isaiah 62:5 said:

"For as a young man marries a young woman, so shall your sons marry you, and as the bridegroom rejoices over the bride, so shall your heavenly Father rejoice over you."

Same reason why Ezekiel 16:8 said:

"When I passed by you again and saw you, behold, you were at the age for love, and I spread the corner of my garment over you and covered your nakedness; I made my vow to you and entered into a covenant with you, declares the Master, ^{אֱלֹהִים} and you became mine."

Therefore, our heavenly Father does not want for us to be separate from HIM, same reason why HE also expects a husband and wife not to be separate (divorce) one another no matter what. There is a sanctity marriage lesson taught in the book of Exodus chapter 20. Because of why Genesis 2:24 teaches us that JOIN MARRIAGE become one. Because of the wife's bone came from Adam and we mankind came from ^{אֱלֹהִים}.

In the beginning, there was only a man on earth, and the female came from that ONE MAN's rib. That how she came into exist after him. The same reason why ^{אֱלֹהִים} come first before we mankind (human) appear on earth. This is why a man have an image liken ^{אֱלֹהִים} who HE is the first I AM, and the FE-male or WO-man (like CO-worker) is liken of the male. She is his helper, better than the animal helper. This FE-male is a little bit different from male because of weaker vessel and unequal organs between male and female. Yet, both are equal as human being as mankind. Both have their own unique way to perform their daily life.

Both have different set of rule of serving according to TORAH, while both still must respect one another humanly. The same reason why wives must submit to their husbands and we mankind as bride must also submit ^{אֱלֹהִים} who is like our husband too. Husband and wife need one another, because...

"two are better than one. Both need a good reward for their toil. For if they fall, one will lift-up his fellow. But woe to him who is alone when he falls and has not another to lift him up! Again, if two lie together, they keep warm, but how can one keep warm alone? And though a man might prevail against one who is alone, two will withstand him—a threefold cord is not quickly broken." - Ecclesiastes 4:9-12

The same reason why we mankind need our heavenly Father ^{אֱלֹהִים}. He is always with us. We now just might begin to understand what marriage is about. Yet, there is still more to it to fully understand why marriage in mankind is mentioned only for between male and female. Because both, male and female

can only connect one another as one. Join by connect what is belong to as whole, just as where did Adam wife's rib come from. This is why **אֱלֹהִים** is like our husband because we came from HIM, but HE isn't human. Because HE is much more than a human being. He is the spirit who form us. We have HIS spirit in us. Most of all, HE (HIS spirit) is everywhere.

According to the law in Torah, **אֱלֹהִים** have a strong reason why HE forbidden "...a man lies with a male as with a woman, both of them have committed an abomination; they shall surely be put to death; their blood is upon them." - Leviticus 20:13. HE forbidden the same sex marriage idea or LGBTQ way, because two same sex partner is not called marriage or is it okay to have sex. The sinful people who act kindly manner (who seem like a good people) do not really know enough why they are soo wrong about about their doing and how they are twisting the marriage ideal from male and female partner is against the law. Not according to man's law today but it is against the law of **אֱלֹהִים**. The cities of Sodom and Gomorrah was destroyed by FIRE for a big reason. It was because people during that ancient time were full of evil lust. What they did was soo abomination in **אֱלֹהִים**'s eye, and HE had to punish them.

In my opinion, I believe not only America but the whole world is doing this evil lust again. I also believe one day; the whole world will put to the end of sin probably like the days of Noah and the cities of Sodom & Gomorrah. Because of how Isaiah 66:22-24 warn us about the future prophecy that will happen. The same reason why the whole chapter 20 of Ezekiel tell us why the evil people in those day will end up put to death. Because they did not do the statutes of **אֱלֹהִים**'s way. Because **אֱלֹהִים** had already taught and warn people ever since the beginning time. Ever since after their father's idols (evil) way who became slave of man many times. **אֱלֹהִים** did heard their cried and deliver them out of the evil world many times. Yet, they still fail to listen, obey and respect HIS statutes (law), and keep HIS judgments way, and do them properly. Most of all, they EVEN NOT hallow HIS sabbaths time which is the covenant he made a sign between HIM and HIS people. This is why **אֱלֹהִים** command Abraham the circumcise teaching on the man's foreskin; as sign covenant promise between him and **אֱלֹהִים** (Genesis 17:10-11). To do this understanding for the rest of the generations seed. The same printable meaning for our heart to be circumcise; to keep this agreement covenant (Deuteronomy 30:6). That is why when the husband-and-wife agree upon these agreement covenant, both are join as marriage couple to keep

loving promise will live well. Both agree upon the covenant is the same example of why ~~3934~~ made a covenant between himself (like a husband) and to HIS creation children (like his bride).

After you have read Leviticus chapter 20 and the rest of the other chapter, reader like you just might be thinking, LBTGQ or the same sex gender partner is forbidden way to do? You or someone else just might want to start the rage and the arguments against what believe is an offend words. You or someone else might already just decided that this Torah (the Law) of ~~3934~~ is bad. Don't believe ~~3934~~ is the Creator ONE because you or they think there nothing wrong with being LBTGQ. This is one of the most challenging thing I know I am going to have to face. Face against the proud LBTGQ culture who some of them would believe "God made them that way". I know how this could get uglier and even start a civil war. Like right now, you as reader just might turn against me and thinking that I am a hateful discrimination man who have no love or respect. Before you judge me, please do that after reading the whole document article first. Because most people often made a judgment to early and make a huge misunderstood mistake. So please, allow me to explain why I am not a hateful discrimination kind of person. This is why I know I have to be very careful what to say and how I address this whole thing. To get people understand why I am against the proud LBTGQ people on my best possible positive peaceful discussion. While reader and I might both have different view and beliefs understanding.

Speaking of different view and beliefs, this also applies to different cultures of people as well. In America, we can see that we have variety of culture people who have difference beliefs or religious beliefs. This variety culture are clearly the division people who came from their past ancestors' father who once were in one tribal culture nation. These people once all believe and live in the same rule of law. They once believe in ~~3934~~'s way of life. Under ALL of HIS rule of law. It is strange to see how many American religion believers are living all together in one nation country. Because of this Constitutional law that gives citizens the civil right to have the freedom of religion. Yet, American still have problem with this variety of religion. It is because they did experience discrimination against their religion beliefs. As you can see, this Constitutional law that gives citizens the civil right religion beliefs won't work forever. Because there will always be a fight against one another based on their culture beliefs. Now, let hold on this arguments for now.

There something else we need to better understand and discuss first. Since this document article is not only about LBTGQ but the marriage topic. There is another matter why I see problem in marriage, as of why there is a high percentage of husband-and-wife divorce? History once had a whole bunch of family living all together, such as father, mother, children and even grandparent(s) back in the old day. Mother once was a housewife caring for a child while the husband is out laboring to earn profit for the family living need. Whether the father was a farmer, factory, or warehouse workers. Sometimes it is not only the mother as wife working alone in the house or doing grocery shopping, one of their parent would be assisting the household work and/or caring the child as well. Sometime there would be another member in the household, one of the marriage couple's parent or it can be a hire worker like nanny, housekeeper, or handyman. Most of the time this can be seen as farmer and rancher household family size. The norm society between male and female for more than hundred year ago to this present day had impact a huge life changing way in the family household and the working environment. After how the culture norm of woman society have change. They have been rebellion against men throughout different time.

In our modern-day generation, women are doing all kind of job as they chose as what job man do also. We often see now grandparent and babysitter (not family member, a stranger) end up caring for their children, while both husband and wife are at work. It is also notice how farmers and rancher had decrease, while cities are growing larger. Government had been taking over people's lands and change the way economy paid to the workers family. Change the way people live in their daily life as well. Long before the turning of the 21st century, before all women joined in the same workforce as man. Husband of the family household once were paid enough to cover his entire family member. Now the economy percentage paid for husband to care for family household is much lower now. Because the wife now working in the workforce. This change in the workforce economy is not only the government to blame. It is us, we the people who have change this.

Not long after World War 1 and 2, women started rebelling against husband and all men. Because they want to be more interdepending as their husband have and every other men. They became more jealousy and want to be equal. To have equal right to votes and labor. They felt they're being pressing down unfairly. So many wives were so angry and fed-up with physical abuse from their husband as well. This is what I fully understand why all women end up rebel and I cannot deny that. I believe it is wrong to see how a husband physical abuse their wife. These women have the right to rebel against their violence abusing husband or from any man. Yet, I would disagree with the other rebelling side about wanting to be equal and fair as what all men do in their daily life and work. Most women want to play the same major role as what man do. This is where many of us, not just women, are blind to understand why woman were not made equal as man. Earlier on the second page of this document article, I have explained how I understood why FE-male is a little bit different from male physically because woman have a weaker vessel and unequal organs as male. At the same time, I also remind myself that both are to respect the same equal as human being, mankind. Both have their own unique way to perform their daily life. Still, both have their own unique different way to perform their daily life and work. As I also did explain why male and female both different set have of serving rule to serve according to TORAH.

When people bring in the argument about which came first, chicken or egg theory. Because these bad scientist and people do not believe man existed first but woman, because women have XX – chromosome DNA. And when women forming a baby in their womb... it appears XX – chromosome first before it can become a male XY – chromosome or not ETC.... This, they got it all wrong. They got the DNA chromosome idea backward. Only the true observant scientist who deal with the Genesis book teaching would know better. They know why a man's rib contain enough genetic information to require making a female. It is interesting to notice, woman's genetic do not contain enough information to make a male, WHY? This is because women do not have the Y-chromosome genetic. Since male have X and a Y, this is why and how the genetic work to form both, female, and male. Female DNA genetic cannot form a male. Since female genetic only have an X – chromosome genetic she is not the first who exist.

Once again, the teaching Torah along with the book of Genesis know why male rule over female.

“He will rule over you,” - Genesis 3:16

Now, we are also seeing male who also want to play the same major role as what women do too. Whether a guy want to be like a housewife or act like male. The female society change of norm is not the only thing I find wrong about them; it is also man. So, now we have not only woman who want to be

a priest, deacon, police, congressperson, governor, or even a head leader nor president. Whatever their sex gender is, they believe they have that same equal right duty to serve. This now including for those who are LGBTQ or transgender as well. It could get much crazier for how both sex gender to use either male or female entering restroom door, just as how the norm of mankind would change and have affair with disgusting animal. This is nothing new under the sun because this had happened before Sodom and Gomorrah was destroyed. ~~They~~ forbidden the change norm of woman and man role of

serving duty and homosexual periods.

Many people overlook or simply want to ignore what Deuteronomy 23:1 and/or Leviticus 21:16-20 teaches these wrongful thing to do. ~~They~~ condemns those who are homosexual. Most people do not realize that our past ancestors have fought in a war many time, against those who have violence against ~~They~~'s law. Even ~~They~~ also allow enemy take over their land as well. Because both side have turned against ~~They~~'s eye. People are all different today because of their own beliefs that are apart form ~~They~~'s teaching way of life. Now, we have people becoming much more disgusting. We the people will end up like what happened to the cities of Sodom and Gomorrah according to Genesis chapter 19 or Ezekiel 16 nor Jude 1:7. This is where and why I must warn people not to do these kind of act, otherwise we who continue to ignore ~~They~~'s commandments will end up judge to death eternally. The change norm of male and female own way opposite to ~~They~~ way is not a marriage way, and we need to stop that.

Anyone who follow and believe what the covenant promise teaches us the way ~~They~~ want us to live by, will earn the respect and be worthy enough to live in the enteral life. To allow live upon the new future earth where new kingdom will be. By now, any type of people should be able now understand what marriage really mean. People need to think about this carefully and repent. Turn our eye, mind, and heart to ~~They~~, instead of the worldly way of man which Satan had made us lust and blindly lead us astray from ~~They~~. So, brothers and sisters... Let us do it rightly and do not divorce, because ~~They~~ hate the ideal of divorce norm between male and female and between us and ~~They~~.
