

अथर्व

, THE CREATOR ONE, THERE IS NO ONE ELSE BESIDE ME, LIKE ME.

“...The Creator Almighty ONE said to Moses, “*I AM who I AM.*” And HE said, ‘So you must say to the Yisraelites, ‘*I AM* sent *ME* to you.’

And said again to Moses, “So you must say to the Yīsrā’ēllites, ‘*אֶהְיֶה*’, the Creator ONE of your ancestors, the Creator ONE of Abraham, the Creator ONE of Isaac, and the Creator ONE of Jacob, has sent *ME* to you.

This is *MY NAME FOREVER*, and this is *MY MEMEROIAL NAME* from generation to generation” - Exodus 3:14-15

We see that this name "I AM who I AM" is written like this

𐤏𐤃𐤏𐤃

“You shall not misuse the name of your Creator Almighty ONE because **יהוה** will not leave unpunished anyone who misuses his name” - Exodus 20:7

“Let them (people) praise the name of **יהוה**, because HIS NAME ALONE is EXALTED. His splendor is above earth and heavens” - Psalm 148:13

HE ALONE established the heavens and earth and everything the way he made it, once built, it cannot be changed (Isaiah 45:18).

Just as HIS name MUST NOT CHANGE as well.

The **LESSON** here is:

The name of **אלהים** or the description of **אלהים** as Creator Almighty ONE was hid & replaced as to “**GOD**”, “**Adonai**”, “**Elohim**”, or “**Lord**”. All this had caused a great confusion. Not knowing which of this “god” or “lord” are we talking about throughout the scripture books. Because sometime “LORD” can also reference as a male master or leader. Whether it had a capital letter or not. Because it’s no longer applied after so many translator in the past in vain had changed/added the word in the scripture books. This is illegal to do such thing that according to **אלהים** ‘s law. **“DO NOT CHANGE”**

“...I have been your Creator Almighty ONE, since the land of Egypt. ...as in the days of the Moed. I spoke through the prophets, and I multiplied visions.” - Hosea 12:10, 11

As we can see here, אלהים had been sending a message to our ancestors through the prophets ever since. Instead of אלהים speak to the Israelites directly. WHY????

Reason because, Israelites said to Moses, “If you speak to us, we will listen; but we are afraid that if אלהים speaks to us, we will die” (Exodus 20:19 or Deut 18:15-16).

Now don't forget why **אֱלֹהִים** directly speak to the prophets ever since. Because they FEAR HIM.

The similar reason why Israelites demand to have a king of their own to lead them, like other foreign nations do (1st Samuel 8). They rather have a visible king instead of the invisible KING.

Samuel the prophet had warned Israelites that this desire was a bad idea. He also warned them that if they desire to have a man-king to rule over them, they will inevitably have conscription, requisitioning of their property, and taxation etc... A man-king alone will not success.

This is one of the main reason why Israelites had often become slave under the man's authority.

Now that we, the people on earth have had witnesses throughout history, that we once had a king ruling the one nation world. All those historical kingdoms we once know roam the whole world is now broken by many nations.

Because we have rebel, fought and went to war against one another. And **אלה** is no longer with us since the last prophet's warn Israelites about relying on man-king.

## The Lesson Here is to Understand Why **אלהים** is the KING of Universe

“**אלהים** has established his throne in the heavens, and his kingdom rules over all”. - Psalm 103:19

“O Master of hosts, the Creator Almighty ONE of Israel, who is enthroned above the cherubim, You are the Creator, You alone, of all the kingdoms of the earth. You have made heaven and earth”. - Isaiah 37:16

This is where and how the Israelites have been forgotten and/or ignore this teaching, that **אלהים** is the ONLY KING of the Israel.

The other lesson is to understand is about a “prophet”, **3934** did NOT send any future prophet who are different or unlike Moad.

“I will raise up a prophet like you (Moad) from among their fellow Israelites. I will put my words in his mouth, and he will tell the people everything I command him. I will personally deal with anyone who will not listen to the messages the prophet proclaims on my behalf. But any prophet who falsely claims to speak in my name or who speaks in the name of another creator mighty must die.” - Deuteronomy 18:18-20

Since Israelites want a prophet/king to lead them, they will have a hard time to know whether the prophet were sent to them by **אלה** or not. And that is exactly why today, people still have a hard time believing whether there is a prophets in our present day. Among also believe there was a prophet as Creator mighty (god) in the flesh.

The **אלה** had warned Israelites about such prophets who does false work and do any of marvel work like **אלה** have done - Ezekiel 13

“O **יהוה**, Creator Almighty ONE of Israel, there is no Creator Almighty ONE like you in the heavens above or on the earth beneath, keeping the covenant and the loyal love for your servants who are walking before you with all their heart.

~ 1 Kings 8:23

“Thus says Master **יהוה**, the king of Yisrael, and its redeemer, **יהוה** of hosts: I am the first, and I am the last, and there is no creator one (god) besides me.” ~ Isaiah 44:6

“You were shown, so that you might know that **אלה** is the Creator Almighty **ONE**—there is no other besides Him.” - Deuteronomy 4:35

So far, we must realize why there is **NO** one who is SOOO different like Moad, a future prophet like Moad. And would do such marvel work like **אלה** have done? **NO ONE CAN BUT **אלה** ALONE CAN.**

THIS IS WHY THIS MAN - *JESUS*, THE MESSIAH OF THE  
NEW TESTAMENT SAY HE CAME FROM HEAVEN.  
WHO **אלה** HAD SEND HIM DOWN TO EARTH  
TO SALVATION HIS PEOPLE **IS NOT TRUE AT ALL**

## THE TRUTH:

**אלה** did not send anyone to  
die for a man's sins (Deut 24:16).

**אלה** hate human sacrifice and it is  
abomination to HIS eyes (Genesis 9:6).

This is why אלה made a law “You Shall Not Murder” the 6<sup>th</sup> commanded of the 10<sup>th</sup> Commandments (Exodus 20:13). Because אלה also said:

“Whoever takes a human life shall surely be put to death” - Leviticus 24:17 & Exodus 21:12

Can anyone imagine how many people would be put to death for rebelling and forcing to murder Jesus on the wood cross-stake (or tree)? All of them, including all the elders and priesthood would have die for there wrongful doing.

This is why **אלה** stop Abraham who nearly kill his son Isaac as a burnt offering. After Abraham was told to sacrifice his son. **אלה** did this whether he will obedience HIS command (any command).

**FYI:** If he did murder his son Isaac, he still pass the test anyway. **אלה** would not allow killing human or use as human sacrifice, that is why HE stop him (Genesis 22:9-13).

So, please everyone... DON'T LET's the NEW TESTAMENT doctrine books fool you about the Salvation KING JESUS.

TRUST in only the OLD TESTAMENT (or TANAKH) OF

אלה

who is alone the SALVATION KING!
